CARRANZA WILLING TO ARBITRATE

Washington, April 30.—Swift developments in the Mexican crisis that brought Carranza, the Constitutionalist chief, within the scope of proposed settlement plans, presented a broadened field of endeavor to the South American mediators today, and it was believed their next move would be a request for an armistice between Huerta and the northern rebels.

Carranza's entry into this first big attempt of Pan-American diplomacy was confirmed early today by his acceptance in principle of the tender of the good offices of Argentina, Brazil and Chile. His reply forwarded from Chihuahua, thanked the envoys for their offer "in attempt to solve in a peaceful and friendly way the differences between Mexico and the United States."

To Observe Armistice.

Washington, April 30.—Secretary Bryan announced today that the South American envoys seeking to mediate in the Mexican crisis have been notified that this government "would assume that there would be no hostilities between the United States and the Huerta government during the progress of mediation."

No Bombardment.

Washington, April 30.—The report from Mexico City that the port of Manzanillo on the Pacific coast had been bombarded by an American warship was denied at the White House today.

OHIO'S SMALL DEBT.

The Director of the Census has issued a bulletin showing that the bonded indebtedness of Ohio has been steadily decreasing since 1880. In that year it was \$2,542,000, and in 1912 it was only \$2,000,000. The special debt obligation to public trust funds advanced from \$4,614,000 to \$5,255,000 in 1912. The per capita debt for 1912 was \$1.05 or \$2.47 less than the per capita debt of forty-eight other States. Ohio has 5.1 per cent. of the total population.

MRS. SIMPSON SHOT HERSELF

Finding of the Grand Jury in the Lexington Case.

Lexington, Ky., April 30.—The Fayette County grand jury has reported that Mrs. Laura Wilder Simpson, who was found dead in her home on February 22 with a bullet wound in her head, fired the shot herself. The present investigation was instigated by Laurence Simpson, the husband of the dead woman, who had been connected by rumor with the case. The jury reported that it had agreed unanimously that it was a case of suicide.

UNIVERSAL SUFFRAGE DAY

Tomorrow, Saturday, May 2nd.—Woman's Declaration of Independence Will Be Read.—Dr. Barbour To Make Address.

In observance of Universal Suffrage Day a mass meeting will be held at the Court House Saturday, May 2nd, at 2 o'clock p. m. Addresses will be made by Dr. John Barbour and Hon. Allen D. Cole. The Woman's Declaration of Independence will be read and Resolutions authorized by the National American Woman's Suffrage Association offered for adoption.

Patriotic songs will be sung by the entire audience, led by the High School quartette, with piano and violin accompaniment.

If you believe in woman suffrage, come and help swell the audience and have your faith strengthened. If you are in doubt, come and let Dr. Barbour and Mr. Cole help you to a decision. If you are opposed or think you are opposed, come see how strong are the arguments against you. A large audience should hear these speakers.

"Father grows younger every day." And his new photograph hits him to a "T."

The old portrait taken twenty years ago, made him look so serious and old fashioned—not a bit like he really is.

We wouldn't part with it of course. But isn't it splendid to have a picture of him as we know him—just as he looks today.

And father says that he's glad he gave in and had it made—that having your picture taken is far from an unpleasant experience now-a-days.

MAYSVILLE AGAIN DEFEATS LEXINGTON

Colts Lose a Slow, But Exciting Game To Local Team—Five Pitchers Used in Game—Donovan Knocks Two Home Runs.

With the thermometer down to about fifty degrees and a pretty good wind blowing, making it seem colder, Maysville again defeated Lexington in the third game of the series by the score of 7 to 6, in a ten-inning contest.

Funk started the game for the locals, while Trimmer was in the box for Lexington.

In the first inning Badel, the first man up, laced one to the pitcher, Chapman got on by being hit by the pitcher, and he stole second. Curtis lined a hot one to left field and Chapman went to third on the throw in. Donovan was an easy outaohrdtdatdaia singled and Chapman scored. Rich was an easy out on an infield bouncer.

Maysville made four more in the third inning. Funk fawaed. Badel singled to right and Curtis singled to left. Konniek fumbled Curtis' boulder and Badel went home, Chapman going to the third station and Curtis to second. Donovan's home run cleaned the bases. Dieterich singled and stole second. Netter fouled to White and Rich was caught asleep off second.

In the fourth inning the Colts made their first runs. Konniek tripled to left and came in on McEvoy's sacrifice fly to left. Dawson tripled and scored on Crouch's out at first. Guyn fled out.

Fletcher went to pitch for Lexington in the fourth and Maysville scored another run. Funk singled, went to third on Badel's safety, and home on Hub Dawson's passed ball. Badel going to third. Chapman walked.

Badel tried to come home and was thrown out at the plate. At this juncture, Dawson, who had it in for Badel for running into him earlier in the game, hot mad because Humpy slid, and hit him on the back with the ball. Badel retaliated by kicking Dawson on the leg. Dawson started to hit back, but players and the police interfered.

While we do not approve of scraps of this kind, still we cannot say that Badel was entirely in the wrong, as Dawson is very overbearing and does not play what we would call clean ball.

A general blow-up occurred in the sixth and Lexington tied the score. Rehkamp, who had succeeded Funk in the previous inning, got in a hole by walking several players and by clean hitting. After two runs had been scored off him Linnie took his place with the bases full and one out. Two more men scored, thus tying the score.

The game went on for ten innings, when Donovan of the Barley Cubs ended the suspense and alleviated the suffering of those who were almost frozen by getting his second home run of the game.

NOTES.

Lexington plays their last game of the series here today. Newport comes tomorrow for two games.

Joe Vance, formerly a pitcher on the local team, is playing left field for Newport.

Pitcher Dasher, who was sold Cleveland by Maysville last year, is now with Ironton and he shut out Ports mouth yesterday by the score of 4 to 1.

It is probable that Eddie Sanford who was with Maysville on the old Blue Grass League team, will be in soon for a berth on the local team.

ELECTRIC SIGNS

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.
It is the Sign of the Times.
